ANDIE & TIFFANY

Tuesday has always been a boring day, so I called my friend Tiffany, and asked what she was doing today. She said 'Nothing,' and asked if I wanted to go to the mall. I said I did that yesterday, so I asked if she wanted to come over and just hang out? I told her I would give her a special treat. Enthusiastically, she agreed, and you get to watch me treat her.

Cum again?

I already bought a second copy of Wild18+! Every time I flip through Sabrina's spread, I have to rub one off. She is so hot and sexy. The picture with her finger in her asshole, well I couldn't help myself! I may have to buy a third copy! I can only imagine kissing and sucking her nipples, bringing her to orgasm, so I can taste her sweet juice, leaving that young ass for the next course.

— A.K, Georgia

Six, the easy way

This past spring I was with my two friends, Alana and Kelli, laying on the beach at South Padre Island. We all work together at an investment company on Wall Street, so we were ready for the sun. Alana had on a small bikini on her pale white body. She was laying on her back with big sunglasses on and slathered in sun screen. I've known Kelli longer and we're pretty good friends. She's in a sexy black bikini that barely covers her DD chest. She's undone the straps of her top and it's just laying on top her, barely covering her nipples. I'm the

oldest of the group at 28 but I've kept myself trim and pleasantly fill out my deep pink two pieces.

Every guy who walked by us was giving us looks. By now Alana had rolled over and undone her top while Kelli's top had slipped a little and her left nipple was almost all exposed. I just sat there in my blue-striped beach chair taking it all in with a smile and a smirk. Kelli and I were just checking out the guys, especially the ones who would slow down to check out Alana. Kelli said we should make eye contact with one we thought was hot and ask him to join us. I kept looking for a good candidate while Kelli went to get us some drinks. I had closed my eyes for a second and heard Kelli's voice. I look up and there stood Kelli with three guys who were all wearing flowery board shorts and had surfer bodies.

Kelli introduced the guys but it sounded like mumbles to me as I checked them out. By now Alana had heard us and sat up, not bothering to grab her top and cover herself. Immediately, there were five sets of eyes on her perfect 23-year-old breasts and a long pause

of silence. Finally, one of the guys speaks up and tells us they're staying at his father's house two blocks from the beach. Apparently his dad is a big-time oil man down here and quite well-to-do. He said his name was Brooks and told us to come by about six because they were barbecuing tonight. Kelli hands us our drinks and after another moment of looking at Alana's boobs, they take off up the beach, looking back every few feet.

We left the beach about two in the afternoon because it was getting to be quite hot and went back to our hotel room to rest and get ready for tonight. We left the room about quarter-to-six but the walk to the house was a little further than we anticipated, especially in sandals. Nonetheless, we arrive about ten after and we can smell the meat sizzling on the grill. Brooks meets us at the door and we enter a beautiful Spanish-style mansion. He escorts us through the house and to the back patio. There was a swimming pool in the backyard and that was where we all wound up after eating. We girls stripped down to our bikinis while the guys were still in their shorts.

It was still pretty warm outside, but still refreshing. We all ended up in the shallow end sitting on the spool steps and talking away. One of the guys was focused on Alana. The tall guy paired off with Kelli, and I had Brooks. He was quite nice, well-built and just my type. Alana said she needed another drink and headed into the kitchen with her guy on her heels. Meanwhile, back at the pool, Brooks started kissing me sliding his hand into my bottoms. I didn't resist and let him rub my pussy. With his other hand he was massaging my boobs and pinching my already erect nipples.

But we two weren't the only one's getting aroused. A few feet away the tall guy was standing with his cock in Kelli's mouth. She was deep throating his cock as her big boobs

were in his hands. A few strokes of Brooks' cock and I looked back at Kelli to see she leaned over the side of the pool getting fucked from behind. I told Brooks to stand, drop his shorts, and I took his hard cock in my mouth. He was pushing his long, thick dick down my throat. Then I let him go, and did like Kelli, leaning over the pool's edge, my ass and pussy teasing Brooks and inviting him in. He obliged by spreading my pussy lips and driving his cock deep into me. He fucked me hard, spanking my ass and fingering my asshole. He bent over and whispered in my ear asking if he could fuck my ass. I told him I'd like that if he was gentle.

He took his dick out of my pussy and using it's juices, lubed my asshole and slowly entered it. I muffled a scream as he pushed it in deeper. I started to cum as Brooks fucked me harder and faster, exploding inside me. I composed myself and noticed we were alone in the pool. Kelli and the tall guy had gone into the house and I hadn't noticed.

Inside, Kelli and her guy were sitting in the living room drinking. I asked if anyone knew where Alana was. Kelli ventured a guess that they were in a bedroom. When I got near the bedroom door, I heard them having sex. I peeked in the door and Alana was straddled over him riding his cock. She rode him hard and fast for a while then slowed to long strokes on his dick. It was quite a sight and I just had to watch. She started to cum and I could see by his face he was cumming too. Alana fell on top of him spent... so I left.

Back in the living room, Kelli was being double-fucked in her pussy and ass by the tall guy, and Brooks! I sat on a chair nearby rubbing my pussy. The two guys and Kelli all came simultaneously, and a moment later I came in the chair and squirted all over. I don't think they even noticed as they all collapsed on the floor right in front of me. The rest of the night we sat around, talked and drank margaritas. Alana and her guy finally showed up, looking quite disheveled. Around two in the morning we all went up-

stairs and paired off to "sleep." I had the tall guy, Kelli had Alana's man and Brooks disappeared with Alana. Oh, yeah!!!

Turkey-day feasting

It's my senior year at the U.C. Davis and I got me a new girlfriend. The previous years were all spent with Melissa. Over the summer she told me that when we returned to school, she wanted to return alone. I took it hard at first, but I managed to let it go and move on. One month after my fourth year started, I met Maddie and Melissa was history. Maddie was just my type, a full-figured brunette with a full chest and nicely shaped booty. She carried a A- grade average and wore dark rimmed glasses to classes that made her look quite studious. But when she put her books down, she was a monster in the sack.

Maddie lived in the city so she didn't live in a dorm like I did. One night we were at her best friend Abby's house. It was over the Turkey-day weekend so we we're all pretty happy that there were no classes for a few days. Now it's Friday night and we're all still reeling from overeating and overdrinking the day before. Abby checked out early and went to bed about nine. Maddie and I were kicking back and watching a movie on the television.

The movie was boring and we knew it. I decide that I wanted to fuck so I began playing with Maddie's boobs. She giggled and after

We love critics

I love Melanie Memphis, and I was happy with her doctor/patient layout in the last issue. It couldn't have been hotter and a girl hot as her deserves what she gets. The photo selection was perfect. The way-hot sex shots and made me so horny I couldn't stand myself. It would've been better to see a facial or cream pie, instead no money shot at all. But I get it. The whole pictorial was really exciting as were the rest of the pictorials. My second favorite would be the cover girl Sabrina, but I would have liked to see her having sex with a guy or girl.

— Bryan, Toronto

a few minutes slipped out of her bra, leaving her t-shirt on. I begin to pinch and twist her nipples as she makes little moaning sounds. My pants are getting tighter so I pull my dick out as it gets harder. Maddie sees it and immediately takes it and begins stroking it. Maddie gets off the sofa and drops to her knees in front of me. She grabs my pants and pulls them off, then pushes my knees apart so she could get closer to my crotch. Immediately she starts to lick from my balls all the way to the tip of it and starts to suck on it.

She stands up and takes off her pants and climbs on top of me so she can line up her pussy over my cock. She squats down and eases her pussy down on my hard-on and starts to ride me right there. She moans a little but tries to be quiet because her bff is just around the corner in her bedroom. I begin to fuck her harder and make her moan even louder. Deep down inside I was kinda hoping that Abby would peek her head around the corner and check us out, maybe even join us for some late night fun.

Within a few minutes and a few more long, deep thrusts into her pussy, Maddie cums, and man does she cum. Her juices flow out of her pussy and down my cock and drench my balls and the sofa. Maddie falls forward onto me and then tries to get off but I grab her butt cheeks and hold her down on me. I pin her on top of me and keep fucking her so hard that you can hear my cock and balls pounding her pussy. She cums again and screams louder this time.

Again she tries to climb off but I hold her there and continue to fuck her pussy hard. She responds by pumping her hips up and down on my cock as I pinch and massage her ass cheeks, every now and then slipping a half-inch to an inch of finger into her puckered star. Soon she's pounding down onto me and screaming that she's going to cum again. I pull her head into my neck to muffle her screams.

Maddie's sweaty body goes limp on top of me. Still holding her with my cock still inside, I get up and flip her onto her back on the

sofa and continue fucking her pussy. After a short minute, she cums again screaming more and more. Her whole body starts shaking, it seems to be the only thing she can do. She cums again from the pounding on her already soaked pussy.

Her body begins to shake as I thrust harder. Every time I thrust she let's out a high sounding wail. I smack her ass harder and harder so the sounds of these smacks must have waken Abby. I pull myself out of Maddie and hover over her face stroking my cock. She grabs the base and squeezes it with one hand and plays with my sweaty balls with her other.

My ears perk up when I thought I heard a small sound coming from the other side of the room and I look over to see Abby watching me stroke my cock over her best friend. Abby and I make eye contact and at that moment I shoot long ropes of jizz all over Maddie's face, hair, and even some into her mouth. I maintain eye contact with Abby until I finish unloading on her friend. When I finish I see her looking down at my cock and back up to my eyes. Then she backs away and disappears into the dark hallway.

That's when Maddie realizes that Abby saw the finish. She squeezed my balls hard so I looked down at her and she had the biggest grin on her face. I smiled back and collapsed down on top of her. We tried to clean up the wet spots to no avail so we got dressed and left before Abby came out to yell at us.

— Kris, Brooklyn

First class

I love all types of girls, from perky cheerleaders to girls next door to hot kinky stars like Abigail Mac. Her black hair and thigh-high leather boots intrigue, while her slender body, perfect boobs and cock-hungry lips arouse me. She has an edgy look and I wonder what kind of kinky thing she's into. I'd take a walk on the wild side with her for sure.

— Matt, Tampa

I know that this isn't going to sound right, and it's not, but when this guy came in and wanted to return his red sweater, I told him that we couldn't take it back. He got a little upset but my quick thinking saved the day, and the store \$120.00. I told him to come closer to the desk and drop his pants. He looked at me like I was crazy, but when I went and locked the front door and pulled up my top, his pants hit the floor faster than a load of bricks.

In case you've wondered why you're looking at me in these sexy photos, let me clue you in: I'm just a nice, normal girl who one thought I might try something naughty. I've always been a spirit and as a creative person, my passion knows no limits. I totally get hot for girls and guys who are the brooding artist type. the flame didn't go out?

i tried
to stay
calm as
i heard
his voice
again

It's eleven in the morning at the office and already the grind has gotten to me. Meetings, paperwork, lazy subordinates. My face was glued to spreadsheets when my phone started ringing. I didn't want to answer it since I had a meeting in a couple minutes, but something told me I should. At first

I figured it would only be Jacob, calling to check up on me, see how I was doing and if maybe I could meet him for lunch. I just about gasped when I recognized the voice on the other end of the line. A voice from the past. One that I knew I would never forget. I put down my pen and focused.

"Hello Klay." I said. "How are you? And why are you calling me."

"How're you doing, Tamarara?" Klay's voice said, ignoring my question. The sound of his voice stirred a lot of feelings inside me. The type that can only be gotten when your ex-husband calls you after two long years.

"Klay, I have a meeting in two minutes and I can't be late." I said forcefully. Then something came over me and made me ask, "Where have you been all this time?"

"I'll tell you about it if you'd care to meet me for lunch."

This was where I ought to have said 'I'm sorry, Klay, but I can't do that. I've got loads of work to do.' Instead I said: "Sure, tell me when and where."

We met a block away from my office. It was a small restaurant but not many of my co-workers went there. They preferred a spot a few blocks down. Since it wasn't that far, and my intention was that I would be back behind my desk in an hour. Once again I was wrong, but at the moment how was I to know how the lunch would go.

He was already there, seated by the window with his favorite cocktail on the table. Even though it's been a couple years, he still was as handsome as always. Klay had been my last lover before I ran into Jacob. There had been one-nighters in between, but he was the one person I'd missed deeply and had Jacob not stumbled my way, I

doubt if I ever would have gotten over him. The problem was our work. He traveled a lot and I was stuck in this office job I detested but had to do.

A hostess opened the restaurant door for me door. As I approached him, he looked up from his drink and smiled. He rose to his feet as I approached and opened his arms for me to hug him. I felt him press his body towards mine. We stood like that for almost a minute, and I figured he was just as reluctant to let me go as I also was, but eventually we both did.

We sat and made some small talk and gave the waiter our orders. Immediately he said, "I hear you're getting married in a few weeks. I hope he's a nice guy and will treat you well. I know I should have done better."

It was not like Klay to be this modest and humble. "Thank you Klay. He is a nice man, but how do you know that?"

He placed his hand upon mine. I

ought to have pulled mine back, except I didn't. Instead I turned my hand upside down and wrapped my fingers around his while our eyes remained locked on each other. "For the last year I've known someone at your office and he's kept me informed. When he told me the news, I just had to see you again." he said.

I know I should have done the right thing right then: pull my hand away, push my seat back, and leave. Except I didn't; I couldn't. He told me he was still traveling but should have given it up for

me back then. He said he would do it now if I were his. Those words were too little to late, I told him, but somehow I felt he meant it.

The he invited me back to his apartment, just a couple blocks further. I told him that I must head back now, but his insistence made me say that I'd come by after work. Reluctantly, he agreed, picked up the check and we left. The four afternoon hours seemed to pass so slowly. My mind was not focusing on my work. My pussy was asking for attention but I had to ignore it.

He wasn't lying when he said his place wasn't that far from my work. He wasn't working full time, but had a few good clients that would buy his photographs. Klay used to be the top salesman for his auto parts company when we were together, but shortly after the divorce he decided he wanted to be an artist. He rented a loft space downtown in the arts district and that was the last I heard from him.

I found his loft quite charming, for a man. Not too large, nicely decorated, and several of his photographs made it look like a mini art gallery. He offered me a glass of wine and we drank to our good health. I sat on the sofa and he went to the bedroom and brought back his newest piece, a shiny, chromed frame around an arial shot of a group of Canada Geese flying in a V formation. He said it simulates an airplane window. A little esoteric, I thought, but well done.

He sat next to me and explained his thought process, reclining his arm over my shoulder. I felt movement in his arm coming down to brush lightly over my breast while his other rubbed against my thigh. I forgot about his sculpture as I rubbed my palm against the tiny growth of beard that lined his chin. He bent his head towards mine and our lips came together in a kiss. After all these months, he still tasted deliciously good. His lips were still glued to mine as his hands explored my breasts and moved slowly up my thigh. I froze momentarily.

I moaned when his hand pushed past my thong and his finger began probing my wetness. I opened my legs further for him as he rubbed his thumb against my clit while his middle finger went in and out of me, followed by a second finger. His other hand which hung over my shoulder kept massaging my breasts, and eventually began squeezing my nipples. He pulled back his fingers and offered them to me. I took them into my mouth and licked them clean of my pussy juice. The

taste was strangely delicious.

We were used to having pretty intense sex together and it was something I'd missed for the years he'd been out of my life. But now, here he was again.

Klay unbuckled his pants and pulled out his cock and brought my hand to it. He pushed my head down on it's hardness and I opened my mouth and almost choked on it. I stroked his cock at the same time while my lips were wrapped around it, cleaning up the small amount of pre-cum that leaked out of it. All it took was a couple of seconds and I was sucking that cock like it was yesterday that we last had sex.

Klay groaned, his hand remained on my hair, pressing my head down on his cock, forcing me to deep-throat him. He rose up and let me lie on the sofa with his cock hanging two inches above my face. I opened my lips once again to receive it and moaned through a mouthful of cock as once more he began finger-fucking me vigorously. I gripped his thigh and groaned aloud

as he made me climax.

He moved on top of me and fed my pussy with his cock. I was so wet, his cock slid in easily. He pushed his cock all the way into my pussy. It felt so good inside me; I let my muscles squeeze his cock and raised my hips to meet him. He pushed a hand under my back and pulled me up from where I lay. I wrapped my hands around his neck, shut my eyes and cried out each time his cock slammed in and out of my pussy, till suddenly I felt myself cumming again. Just when it felt as if I was slipping off him, he

pulled me up and gripped me tighter and resumed fucking me. I was nearly out of breath when he released me on the sofa and I rolled off it and collapsed on the carpet. My pussy felt so sore, I knew it would remain like that till the following morning.

He stood over me looking like a giant with his cock still standing erect with cum dripping down from it. I started to giggle. It's been a long time since I got fucked this good; how I missed the feeling. He knelt beside my face and started stroking his cock. I watched his face and shut my eyes just in time as his cum shot out and sprayed over my face. When he was done, I took his cock and sucked the remainder that oozed out.

"Just like old times," I joked, smacking my lips when I was done licking off his cum. He laughed and went to the bathroom to get me a hand towel. I cleaned up, got dressed slowly. I took a couple last sips of wine and headed for the door. Looking back I smiled and said I'd see him in another two years.

My friend Tone invited me to spend the weekend at his summer home to celebrate my twentieth birthday. He showed me around and made dinner for me. How sweet – and sexy, I thought. Can you guess what's next? I started making out with him and we ended up on the sofa with his cock in my hand, drawing it into my mouth and then into my pussy. I can't wait for my next birthday to cum, but I won't be waiting that long to do this guy again.

DESTINY & SAMANTHA &

Damn, can't a girl get any privacy. I can't believe that Destiny and Samantha just barged into my bedroom and found me playing with myself – embarrassed! They weren't supposed to be here for another hour. Now they're ripping off the covers and I see their clothes coming off. I guess my best bet is to just lie back and see what will happen, as if I, or you, don't know! Get ready, I think I'm going to be in for one helluva good licking.
